

## **School District Goals and Objectives**

In keeping with its belief that all students can learn and achieve academic success, the Board of Education adopts the following objectives:

1. To provide an educational program and instructional arrangements which will permit each student to develop to his or her full potential. An accompanying goal shall be the development of an individualized instructional program.
2. To achieve what is truly a "community school" in services to the adult community.
3. Students shall demonstrate proficiency in core academic areas by meeting or exceeding state and district content standards.
4. To provide for the best possible school staff including both professional and support personnel.
5. To ensure the development of meaningful interpersonal relationships among students, staff and community.
6. To ensure that staff, students and parents are afforded maximum participation in the development and evaluation of programs and policies.
7. To ensure maximum efficiency in the use of district resources to meet the goals and objectives of the various programs and services.
