

## **Funding Proposals, Grants and Special Projects**

The Board shall be kept informed of all possible sources of state, federal and other special funds outside regular district sources that are being considered for district funding for the support of the schools and/or for the enhancement of educational opportunities in the district.

To ensure coordination and to avoid confusion in developing proposals and making application for specially funded projects, the superintendent shall establish standard procedures for the preparation of proposals and their review.

The superintendent shall submit all proposals for federal aid and special grants to the Board for approval.
