

Professional Staff Contracts and Compensation

The Board recognizes that attractive compensation plans—which include an adequate base salary, salary incentives and employee benefits—are necessary to attract and retain well-qualified and able men and women to deliver quality educational services.

Administrator salaries shall be determined by Board action with consideration given to the assigned responsibilities and specialized training. Salaries and contracts shall be reviewed annually according to the terms of the individual administrator's contract.

The school district shall adhere strictly to the employment contract procedures established by Colorado statutes.
