

Part-Time and Substitute Professional Staff Employment/ Qualifications of Substitute Staff

The Board of Education shall maintain an authorized list of personnel to be used for substitute or part-time employment. Prior to adding a person's name to the list, a background check shall be carried out in accordance with state law.

The Board authorizes the superintendent to notify and direct persons on the list to perform such service for the district as may be required on a temporary basis. The Board authorizes principals to notify and direct persons on the list to perform as substitute teachers on a temporary basis as needed.

Such payment shall not constitute any assurance or offer of continuing employment without specific Board action.

Every person placed on the authorized list shall be given a copy of this policy prior to performing services pursuant to this policy.

The Board annually shall determine the district's needs for substitute teachers and the availability of substitute teachers who meet the licensure requirements of state law. If it is determined that a shortage of qualified substitute teachers exists, the Board shall attest that an emergency exists due to a demonstrated shortage of licensed or authorized substitute teachers in the district. If these conditions exist, qualified applicants shall be encouraged to apply for emergency substitute authorization in accordance with state regulations.

All persons hired as emergency substitute teachers shall be fingerprinted in accordance with state law.

The Board directs the administration to take any necessary steps to increase the available pool of substitute teachers by encouraging qualified persons to seek the appropriate license or authorization as provided by state law.
