

Professional Staff Work Load

The Board of Education annually shall determine the number of licensed and classified instructional personnel needed for the succeeding school year. The superintendent shall consult with principals and the professional staff in determining the recommended number of positions before presenting the recommendations to the Board.

In determining class schedules, the administration shall provide teachers with one planning period each day. Insofar as possible, all teachers in the district shall have equal amounts of time during the school day for planning purposes.

Adopted: February 10, 1981

Revised: October 12, 2010

Swink School District #33 Swink, Colorado
