

Support Staff Assignments and Transfers

The superintendent or designee shall make assignments and transfers of support staff members as the best interests of the school district indicate.

The preference of employees shall be taken into consideration in making assignments and transfers. Employees may request a transfer of assignment from job to job.

However, support staff employees, unless otherwise designated by notice of assignment, shall be considered "at will" employees who serve at the pleasure of the Board and shall have only those employment rights expressly established by Board policy. Support staff members shall be employed for such time as the district is in need of or desirous of the services of such employees.
