

Immunization of Students

No student is permitted to attend or continue to attend any school in this district without meeting the legal requirements of immunization against disease unless the student has a valid exemption for health, religious, personal or other reasons as provided by law.

Students who do not submit an up-to-date certificate of immunization or a written authorization signed by one parent/guardian requesting local health officials to administer the immunizations or a valid exemption will be suspended and/or expelled from school according to regulation JLCB-R.

All information distributed to parents/guardians by the district will inform them of their rights to seek an exemption from immunization requirements.
