

Relations with District Charter Schools

(Procedures for Establishment, Renewal, Revocation and Waivers)

A. Establishment of a district charter school

Review by district accountability committee

Prior to submission of an application to the Board of Education, the district charter school applicant must submit the application to the district accountability committee for review and comment. The committee will include one person, who need not reside in the district, with knowledge of district charter schools and one parent of a student in the district. The parent must be a district charter school parent if the district has a district charter school. The accountability committee will have 30 days to review the proposal.

Prerequisite for filing application

A district charter school applicant must demonstrate that a majority of the proposed district charter school's pupils will reside in the chartering school district or in contiguous school districts in order to apply for or be granted a charter.

Date for submission of applications

To allow sufficient time for an approved district charter school to begin operations at the beginning of the academic school year, the application must be officially submitted to the Board or its designee by October 1. However, the Board and the applicant may mutually waive this deadline.

Prior to submission of a formal application, persons preparing applications may submit a preliminary draft of the application to the Board or its designee for review and comment prior to formal submission. *[Note: This is not required by*

statute, but is suggested as a way to begin negotiations prior to formal submission of the application which starts the 75-day period for Board review. Negotiations must be concluded and the terms of the district charter agreed upon, no later than 90 days after the Board rules by resolution on the application.]

An administrative team will be designated to provide information to the applicant about matters subject to negotiation between the applicant and the district and to begin the negotiation process.

Submission procedures

No application fee will be charged by the Board.

The applicant must provide two original copies of the completed application printed single-sided on white paper, not stapled.

Applications will be accepted prior to October 1 for schools beginning in August. Applications are to be submitted to the superintendent's office.

Incomplete application

If the application is incomplete, the Board will request additional information from the applicant and give the district charter applicant a reasonable opportunity to provide additional information to the Board for review. The parties may mutually agree to waive any deadlines during the application process, including extending the deadline for Board consideration of the application.

Public meetings

After giving reasonable notice, the Board will schedule and hold community meetings in the affected areas or the entire district to obtain information to assist the Board in making a decision about the district charter school application. All persons or groups who have an interest in the approval or denial of the district

charter school application must present their comments or concerns to the Board in writing in a timely manner or in testimony during a public meeting on the district charter application to preserve a right to appeal the Board's decision on the district charter application.

Decision on the district charter application

The Board will make a decision on the district charter school application either in a regular or special meeting within 60 days after receipt of the official application unless the parties have mutually agreed in writing to extend this deadline. A new district charter may be approved for a period of at least three academic years. A district charter may not be approved unless a majority of the charter school's pupils will reside in the chartering school district or in contiguous school districts.

If the application is denied or if the Board does not review a proposed application, the Board will set forth in writing the grounds for denial or refusal to review. The Board will notify the Colorado Department of Education of the denial and the reasons within 15 days after it makes this decision. If the application is granted, the board will send a copy of the approved charter to the Colorado Department of Education within 15 days after approval of the application.

Negotiations

All negotiations between the Board and an approved district charter school on the district charter agreement will be concluded by and all terms agreed upon no later than 90 days after the resolution approving the district charter application.

Appeal process

The applicant may appeal the denial of its application or the imposition of conditions it finds unacceptable by filing notice of appeal to the State Board of Education and the Board within 30 days of the Board's initial decision. Within

60 days, the State Board of Education will issue written instructions and recommendations to the Board. The Board will reconsider its initial decision and make a final decision within 30 days. If the final decision is still to deny the application, the applicant may file a second notice of appeal with the State Board of Education.

Facilitation

In lieu of filing an appeal to the State Board of Education concerning the denial of a district charter application, nonrenewal or revocation of a district charter, or the unilateral imposition of conditions on a district charter applicant, the parties may agree to facilitation by filing a notice of facilitation with the State Board of Education within 30 days of the Board's initial decision. The parties may continue in facilitation as long as they agree to do so. After a seven-day cooling-off period, if one party rejects facilitation, the Board will reconsider its initial action and make a final decision. The applicant has 30 days from the final decision to appeal to the State Board of Education.

B. Renewal of a charter

The governing body of a district charter school will submit a renewal application to the Board of Education no later than December 1 of the year prior to the year in which the district charter expires. The Board of Education will rule by resolution on the renewal application no later than February 1 of the year in which the district charter expires or by a mutually agreed upon date.

The renewal application must contain a complete report on the progress of the school in achieving the goals, objectives, student performance standards, content standards and other terms of the district charter contract and the results achieved by the district charter school students on state assessments.

The renewal application also must include a financial statement that discloses the costs of administration, instruction and other spending categories for the school.

C. Revocation of a charter

A district charter may be revoked or not renewed by the Board if the Board determines following a hearing that the district charter school did any of the following:

2. Failed to meet or make reasonable progress towards achievement of student performance standards, applicable federal requirements or other goals set forth in the contract.
3. Failed to meet generally accepted standards of fiscal management.
4. Violated any provision of law for which the district charter school is not specifically exempt.

If the Board revokes or does not renew a charter, the Board will state its reasons for doing so.

D. Waivers

A waiver of state rules or local district regulations is for the term of the charter.

Waiver of receipt of funds

The Board will not grant any waiver to forego receipt of any amount of operational or capital construction funds provided to the district charter school under state or federal law.

Request for waiver of state statute or regulation

Within ten days after the contract between the district charter school and the Board of Education is approved by the Board, any request for release from state

statutes or regulations will be delivered by the Board to the State Board of Education. If the State Board of Education grants the request, it will notify the local Board and the district charter school of its decision. If the State Board of Education denies the request, it will notify the local Board and the district charter school in writing that the request has been denied and specify the reasons for denial. If notification is not received within 45 days (or 90 days, if the State Board of Education has extended the time for review of the request), the request will be deemed by state law to be granted.

Review of waiver of state statute or regulation

A waiver of state statutes or rules by the State Board of Education is subject to review periodically as provided by State Board rule and may be revoked if it is deemed necessary.
